

# MinneMUDAC 2019: Upload Predictions

## Team: G23

You have successfully uploaded your predictions for the 2019 MinneMUDAC Fall Student Data Science Challenge.

The webpage serves as your **submission receipt**. You should keep a copy of this receipt until all scoring has been completed for this competition. If issues arise when scoring the predictions, you may be asked to show this receipt in order to get the prediction component of the competition scored correctly.
